MEMORANDUM FOR: PROJECT OPERATIONS OFFICER

SUBJECT : Request for a Complete A-1 Configuration
Flown Over an Industrial Complex

1. It is requested that a complete A-1 configuration (Cameras #1, 2, 3, 4 and 5-in Rocking Mode) be flown over an industrial complex. Approximately 500' of camera #5 photography and the resultant photography from the other cameras in the configuration would suffice,

2. This photography is required for training and orientation of D/GP personnel prior to the start of operations.
